Hongkong, April 20th, 1871.

WE extract elsewhere a very interesting ar, for refraining from doing so. Were this ticle from the Singapore Times on the subject course once adopted, there would very soon be of Secret Societies in the Straits Settlements. | an end to Secret Societies. If men discovered As already noticed, this matter has attracted | that their agreeing to protect one another in great deal of attention in Singapore, and it the commission of crimes, made them amenhas been necessary to put, down riots which able to the punishments which the Law occurred, in consequence of these Societies, prescribes for those crimes, they would also by main force. Fortunately the prompt very soon find that it was better to seek the action which was taken had the effect of protection of the Government, instead of that bringing matters into compass very speedily; of Societies formed for the express purpose and the danger of serious disturbance, which of undermining all law, order, and authority. at one time, threatened, is now passed over. At the same time, it is recognised that there is no security that trouble may not break out at any given moment; and tho last accounts from Singapore represented a state of affairs by no means reassuring, the population generally having contracted the greatest disrespect for the Police and being still swayed as strongly as ever by factious feelings. The Straits papers are now discussing the subject, with a view, if possible, of coming to some conclusion as to a permanent solution of the difficulty. The article from the Straits Times which we have extracted, gives evidence of effect of a swell stop on an organ is often to leave shortly. sound information, weighty consideration, produced in nature by the fiful wandering a succinct form the gross abuses brought about by these Societies; the earnest desire ing to the direction and power of the wind on the part of the better class of Chinese to see the combinations suppressed; the terrorism which they exert over the masses, and the consequent difficulty which the Authorities have in dealing with them. The Legislation. which has been resorted to with a view to tured to predict at the time it was under and also instrumental performances by some contemplation, entirely failed in its object of the best amateurs Hongkong ever heard. The Government were under the impression that it would be possible to regulate these Societies by means of a system of Registra-"tion; but this plan has failed at the point, cerned, have fallen in such pleasant places. which it might have been thought would I might specially mention pieces performed have been so obvious as to prevent the Go- there last Friday evening with marvellous vernment making the futile attempt which brilliancy; but this would be invidious where they have made. The great evil of the Secret Societies is that they are organised henceforth be considered as nothing. Mr with the express object of making established Collender and the 75th Band may cease to law and authority of none effect. This was blow; the Choral Society, desparing, well-known to the Authorities in the Straits longer assemble its Wednesday evening bevy Settlements at the time when the Ordinance their diminished heads, for have we not for regulating the Societies was passed. The among us, a player who for some weeks past investigations into the Penang Riots in 1867 has charmed alike the cars and senses of rehad revealed the whole iniquity of the sidents in Victoria, Hongkong, with the Associations. It had shown them to be all, sweetest music that ever came from the bell and more than all, that our contemporary describes them. "The oaths taken by the indeed call him, is determined not to let members" says the Straits Times, "bind talent die tonqueless, for every evening, not them together to resist inwill arrest, to once a week be it understood, like the Chort defend each other against all enemies whom Society or German Amateurs, or twice soever unconnected with the Society, to week like Mr. Collender and the 75th Par avenge injuries to the persons or property of individual members, and to protect and shelter them from the consequences of their own acts." This is by no means all that the

rules bind the members to perform. A re- I had to confine myself to my room to "blow ference to the report of the Penang riots in- the cloud" I usually manufacture on the vestigation, will show that the secret cutte verandah. The strains, provides special signs and ceremonies to be observed by members who have committed murders, and desire the aid of their brethren, with our deer and windows shut the sounds charged in order to escape. Of course, provision is penetrated, and my sensitive nerves were realso made in the like manner for less serious | duced to such a state that my dear Dr offences; but we instance murder in order to show the full beinqueness of the system. lating myself upon my convalescence when barque Willie Rickmers. Having secured the How the Straits Government can have ex- the strains again pected that Societies expressly designed to evade the laws, even to the extent of protecting murderers, would not find means to evade a law designed to suppress the Societies | kong. Ferdinand like, I was tempted to ask allow a person to have access to the hold. On the outbreak; and the most remarkable 2.413; St. Helena, 204; Mauritius, 671; China. stand. The result of the Legislation has been completely abortive; indeed, it appears | So far from being able to say now that rather to have increased than to have diminished the evil against which it was designed. The only result of taking steps to register the headmen of the Societies has been that thing ever. special measures have been adopted by the Societies to hide them from views men being falsely declared as the heads, and the real leaders being screened by all the-force that such Societies can readily bring into keys; rich evidence of how varied is his exeplay for such objects. It must be clear that it is simply impos-

sible for the Government to do any good in this matter by attempts at regulating organ- ing modulations from one key to another? both the Chinese found in the sampan under isations so irregular as Societies, part of Was it not in giving birth to such Themes, the ship's bow, and Martin Muller, of Hamwhose business it is to avade the laws. that our greatest masters, Beethoven, Bach, burg, the seaman who should have been active. It would be just as sensible to endeavour to Haydn, Handel, and Mozart have rendered sending them to good for three months with come to some amicable arrangement with the themselves as immortal as the strains they hard labour; requiring the three Chinese companions of Bill Bykes for the purpose of inspired? and it is in this style of composi- severally to find security in two householders and, as the facts prove, only afford it the listened to with pleasure and delight when greater opportunity of becoming more wide the great masters are lorgotten, -but not till has the following items:spread and more pernicious. A remedy of a much more severe mature than registration remains but a few suggestions I am temptobviously be sought. There is an objection, ed to throw out as much in the interests of support and Java. We hear that he was highly which is in some respects not ill founded, against instituting penal laws against Secret diversion. From the fact of never having stateliness and veremony, he was more charmed Societies, because such laws must partake of the nature of special enactments against a special class. But the fact is, it is im
Polka, the effect of distance (a very desirable glimpse he has seen, and that the hurried possible to rule Asiatics, and especially Chi
thing for the comfort of his neighbours) may glimpse he has obtained of the benefits of civilized rule and liberal Government will hear nese, in precisely the same way as Europeans, very easily be obtained if he will only con- good fruit. It is, indeed, probable that His and by doing so we shall be only furthering sent to put his head and cornet in a bag. Majesty will not rest content with this trip. distrust, and aiding the formation of factious opposition and secret conspiracy. Ultimately, instance, playing all the time of course, when some future day. it is probable that a remedy will be found a very effective diminuendo will be the re- H.M.S. Rinaldo, Commander Hobinson for these evils by recognising the facts connected with them, and dealing with the peculiar populations of Asiatic Colonies in a way suited to their requirements, wants, and understandings. But, in the mountime, it for some other equally sung Bay, may be quite possible to go a long way towards putting down the evil of Secret Societies without in any way, departing from the recognised principles of English Law. There is one remedy, which has not yet been imagine be plays just a shade too loud, and a tried, for which no special legislation is required, for which the laws already existing are amply sufficient; but which will require member of such Society commits. It would where they hope to obtain some respite from ton's Wondercap." Mr. Applegath subsequents tigated. When they naw the storm gathering, torest to the profession to which they belonged. not be stretching the law to punish any our Amateur's very forte-playing.

crime which a member of the Society was proved to have committed. If a number of men hind themselves together, and say to an individual: "You join our brotherhood; and if you commit a murder, we will protect you ngainst punishment;" and, if in consequence teur cornet player's untiring efforts. of this promised protection, or partly in consoquence of it, this individual does commit a murder, can any reasonable man doubt that the members of the Society are simply and plainly accessories before the fact ! If, then, they are accessories before the fact, the Law can pubish them as criminals. It must be confessed, it is difficult to see any just reason

### MUSIC IN HONGKONG. (Communicated)

"That strain again-By a community so small as that of Hongkong, a very laudable boast may be indulged in as to the number and quality of its musicians, rocal and instrumental. Among us, may be found many artists of acknowledged talent. what wonder then if the hours usually deroted to recreation and ease are often rendered beyond measure enjoyable, by some distant strains stealing on the ear, now soft, now loud; and here, be it remarked, that the succeed Chief-Justice Maxwell, who is about with tone intensified or diminished accordmade delightful by the performances of the 75th Band. On Wednesdays, also, the Choral Society meets with the very desirable result of some two or three concerts during the season. These include vocalization of an extremely high order by an amateur, whose execution, in her upper notes especially, reminds one of a flute marvellously played,

· Friday nights are also fruitful of good music, and the surrounding inhabitants of the Club Germania must congratulate themselves that their lives, so far as music is con all was so excellent. But the performers and performances particularized above must

He need not put himself to the inconvenience of hurrying his return or even bring his horn with him, for so even bring his remains a remai whomsonver anconnected with the society, to circumstances, which, connected with Change birthday, is in reality the day on which the Em- intrusive and threatening character-hardly

> problem to their entire satisfaction. The re- credited assertion that they are still at large, gistration book is a farce. It neither reveals unpunished, in Tientein! the names of all the head men, the true objects of association, nor all the places of meeting. The late disturbances have shown that meetings can THE INDIAN TROOPS. be held in the heart of the jungle in the dead of night, to which the police cannot gainedmission. -in fact cannot with eafery show their faces The evil resulting from the law, is, that it makes the registration of the names of the headmen compulsory, for the purpose of getting hold of them more readily in case of disturbance. Formerly the police were able to find out, by quiet inquiry and observation, who were the most influential men of a society; but since this law came in force, there is every reason to believe the men represented to be the leaders further, that on a voice from the ranks calling distinction between day and night; and if I from reading Mr. Carlyle's letter, to prove that of some of the societies that have been regist out, Release the prisoners and we shall obey did not shine upon the surth, there would not the strong outhusiasm for Germany which beat every precaution is taken to prevent detection

There is still another phase of the question. It is perfectly right and proper that Government should have the legal power of suppres-A CURIOUS STORY. sing any association dangerous to the publi peace or definit of lawful authority. unless it has the means wherewith to put its will in force, the law will be likely to prove of part of the population are members of societies. Though the Government may have any one of them. It cannot find out who are or are not members, and if it could it wouldbe difficult for it to punish them for continuing membership after the edict for dissolution had gone forth. We do not doubt that in time it may be possible to narrow these associations down to smaller limits, or to direct them into more legitimate associations: mains a finting one, and the same ignorance have been connected with similar societies in their own country, and believe the protection afforded by some strong organization of this and left of his former somewhat expensive description necessary to protect them from raids of robbers, and injustice and oppression from the Europeans and natives. Having once | aiduary legatees.-Pall Mall Gasette; parolled themselves, few have the moral courage to willdraw, for fear of the enmity

ery state of Lings against which they seek to It may at come future day be possible, when the secrecy it may observe, to suppress gerous associations by punishing all who may dare to assume their control; but even thun, it must be able and prepared to enforce what it undertakes, and not stop short of the accomplishment of its object. Till then, however; we think it would be wiser not to legislate at all thus to legislate in vain. The Dangerous Societies Suppression Ordinance, as it is called, was, we believe, only passed for twelve months. Unless it can be improved and made of some practical use it should be allowed to die out at

REPORTED DISAFFECTION AMONG

The Times of India is sorry to find that a rather ambiguous paragraph in the Madras Mail about the 19th Madras Native Infantry, seems to be founded on very diangreeable fact. The Bangulore Herald usks: - "Is it true, for instance, that several of the men were placed under arrest for insolent language to the officer second in command and the Adjutant? Is it true that when on parade, the men refused to stir a step. nithough repentedly commanded to do so F. And terests both of the Army and the public, and i they are explained, no one will be better pleased than ourselves. But in the meantime the most ngly rumours are flying about,"

A Viennese Jew. a convert to Protestantism. has lately died at Panesova, in Hungary, leaving his grandchildren a fortune of 1.300,000 floring. This individual had been for many years the earthly providence of great and small Hungarian proprietors, lending them the means ever of suppling their extravagance at a very high rate of interest. The father of four sone and four daughters, he did not trouble himself is the least about their education, and even refused them all means of subsistence later, remarking that us nature had provided them with arms and loge, they had but to make use of their to do very well. Those paternal sentiments induced the heirs of the usurer to bave reconrec to gentle violence. One fine morning as he was returning from an expedition on business, he was suddenly attacked by his children, who bound him, and speedily robbed him of 100,000 foring which he carried about him. Furious at this occurrence, he separated himself entire. ly from his family, divorced his wife, who was in the plot, and-went to live at Vienna, where he abjured Judaism and became a Protestant. Since that time he lived very parsimoniously. babits. He bas left 9,000 floring to the churches at Peeth, constituting his grandchildren re-

Musels and the Treaty of 1856. The official correspondence respecting the with the immense whitey-brown broad-brim, Trenty of 1856 has just been laid before Parlin, heavily draped with scrape, haddled himself up ment and consists of 105 pares, containing again in the middle of his rehicle in a doubtful 200 despatches. Many of these, however, relate state of repose. "Si Sonor?" carelessly reexclusively to the earlier stages of the negotiations that succeeded the declaration of the thong of his whip with its long lash high Russian Government, and referring as they do in the air, and then bringing it quickly across to the preliminary stops taken with a view to the ears of the broken-down mag, raised his the assembly of a Conference, possess but little | usual fiendish cry of "Hi, ht Houp Ind" and interest now that the Conference has mot, and tagged fearfully at the reins. The "flery steed" that the subject in dispute may be supposed to responded to the call; like his master, and tor-be in the course of settlement. The difficulties menter—for Don Tomago seemed to understand that arose in connection with the attendance the animal—the poor creature desired a short of a representative of France seemed at one ont home, being nearly exhausted with his work, time on the point of being overcome; but they and requiring provender, though it was not like afterwards reappeared in a freeze shape, and, ly to be of the best. Darting forward, the house, as the public is aware, the Conference bus met shaking his head, acquired, as it were, fresh without any representative of France being vigous and making a desparate effort, brought present. In a note to Mr. Odo Russell, dated the vehicle, with its singular owner and January 15. Earl Granville says that the diffi-driver, round the sorner of St. Paul's Churchoulty which had been raised both at Versailles yard, and in a sort of double-quick time made and at Paris with regard to a safe conduct for way down Aldersgate-street. The animal knew M. Favre was substitutially a master of form, he was on the road home, and as the passage and that either party. "if desirous of doing was free, his progress was satisfactory. My so," might easily have overcome it. Earl driver kept near the strange equipage, and Granvilly had previously stated that Her communicating with me through the window, Majesty's Government considered it of import- expressed his surprise at the change in route, ance that the Provisional Government should be and the revivified energies of the great charger. represented at the Conference; and that France Every now and then the colebrated cry of "Hi, should abow that even at a time of temporary bil. Houp la!" was heard, followed by the redefeat she had not lost interest in questions of sounding smaok of the whip. The vehicle, with European interest, particularly in one in which its ranibling noise, went forward. El Capitawho was so closely concerned. "I should not," no, as it subsequently turned out the inside he adds, " have conscrited to enter the Con- occupant was called, lazily watched from his ference until France had been invited to attend." position the chops in the street as they were Earl Granville refused, however, to allow the beginning to be opened for business, and then question of peace or war to be formally brought relapsed into his former languer. We had before the Conference, as the French Govern new passed through Barbican, down Chiavall. ment wished; but at the same time stated that, street, soross Finsbury-square, along Shoreif the plenipotentiary of France at the ond of ditch-there was no North London Railway, or the proceedings, or of one of the sittings, grand Town-bull then-into the Kingslandthought fit to introduce that question, he would roud, and on went the steed with his dreary not be interfered with Another statement burden; the "Hi, hil Hono la!" being still made by Lord Granville chaims attention. distinguishable.
